PROFILE:

I am a mother to four children, one of whom attends Oaktree School. I wanted to be a governor for Oaktree as I wanted not only to be a part of a well run school, but also I think it is a way to give back to the school, who has been so important to my daughters happiness, health and progress.

I have diplomas in child care and I am also a trained chef.

I am also a member of Friend at Oaktree School (FoOS)
