PROFILE:

I have worked at Oaktree for 11 years and have been on the Governing Body for the same length of time.

My background is in banking and enables me to bring my experience in both finance and compliance to my role here at Oaktree. I work closely with the Head Teacher to ensure sure that the school's budget and resources are used in the most efficient way and report to the Governors, Local Authority and Government departments.

I live in Enfield and have 2 children and therefore appreciate how important it is for any child to be both happy and cared for at school whilst receiving the best education; this is so at Oaktree and it is a pleasure to be part of the team where pupils develop whilst in our care.
