Governor at other school: No

PROFILE:

I have been on the Governing Body at Oaktree School for 7 years and am currently the Chair of Governors, the named safeguarding Governor and pupil premium Governor. I was originally elected as Parent Governor when my daughter Abigail attended Oaktree. She is now at Southgate college. My background is in management.

Becoming a Governor has given me a real sense of satisfaction as I can see that the interest of the pupils of Oaktree School are at the heart of every single decision we make as a governing body. We all sincerely want to make a positive difference to our fantastic young people.

I am deeply committed in opening opportunities for all our pupils and that Oaktree maintains excellent links between home and school in order for us to achieve the very best for our students. I am a regular visitor to the school and enjoy getting to know pupils, teachers and assistants at this lovely school. We are fortunate to have such a great team nurturing and helping our kids reach their full potential in such a happy and caring environment.

I am looking forward to the planned expansion programme which I think will be a positive step forward for the school, not only allowing us to increase well needed capacity for the borough but to enhance the school facilities which will benefit all the school community.
