**PROFILE:**

Being a mother of two autistic boys, I am very passionate about everyone having a voice and being treated fairly. Having this ethos inspired me to apply for the staff governor's role.

I started in education 7 years ago at Merryhills School in a very busy SEN department, working alongside like minded colleagues. As a team we encouraged and supported each other to ensure that all the children we worked alongside had the best education possible. This made me feel more passionate about working with SEN children.

I then applied to work at Oaktree School and have not looked back!

As a staff governor I will aim to always fairly and efficiently represent the staff at Oaktree School. I am very excited about being given this opportunity and look forward to working alongside the governors.
