Sessions start at 3.00pm and end at 5.00pm.

There will be three activities at each session. Each activity will last for 40 minutes and every child will have the opportunity to take part in all of the activities.

There will be an active session where the children will take part in activities that focus on being active, giving the children the opportunity to use the Wiis that were provided by the FoOS. During the summer term, weather permitting, this session will be held on our outside equipment.

The creative session will consist of Arts and Crafts, making topical products such as Halloween masks, Christmas decorations, Mother's Day gifts and Easter products, as well as drama and music games.

One of the sessions will be an opportunity for the children to have a quiet space. They will be given a small snack of a sandwich, biscuit and a drink, during this session.

Costings for all users:

£8 per session 3pm – 5pm

£7 for transport home

(Dates will be confirmed at the start of every term)
